

4th International Conference on
**Carbon Chemistry
and Materials**

November
11 13

Novotel Madrid Center
O'donnell, 53 - 28009 Madrid - Spain

About the Conference

United Scientific Group a non-profit organization takes the honor to invite you to the **Fourth International Conference on Carbon Chemistry and Materials** during **November 11-13, 2024**, at **Madrid, Spain (CCM-2024)**, which will bring together world leading researchers in the field of Carbon Chemistry and Materials (Nano). It is a forum where academia and business intersect to spark development and showcase latest research and technological developments in Carbon Chemistry and Materials of different fields for global requirements. It is a three-day event which features academicians, Industrialists, and business executives to showcase recent trends, strategies, and challenges of Carbon Chemistry.

About the Organizer

USG-United Scientific Group (A non-profit scientific organization) is an expert-driven initiative with a vision to:

- Identify and bridge gaps in knowledge by creating and implementing new scientific and technology-specific platforms, forums and products to discuss bottleneck issues and incorporate recent research advances.
- Publish and promulgate innovative research findings with an ethical and stringent review process to make a step change in the fields of science and technology in society.
- Partner business and science for the translation of scientific discoveries and innovative ideas into implementable solutions and products which benefit mankind. The USG team is committed to work together to create network which delivers the best scientific solutions and contributes top services to the scientific community.

Concept

The purpose of the CCM-2024 Conference is to present and discuss the most recent innovations, trends, and concerns, practical challenges and the solutions adopted in the field of Carbon, Chemistry and Nano Materials in its allied areas.

Agenda

The conference is a unique opportunity to present your latest research, hear to valuable intelligence and information. This is place where world leaders come to talk and listen.

Networking

Unique networking opportunity across worldwide where the world's leading renewable CEOs, business heads, decision, and policy makers, choose to present their latest innovations.

Scientific Sessions

- Nanocarbon; Graphene, Nanotube, Fullerene
- Electrochemistry and Applications
- Adsorption, Reactivity and Catalysis
- Quantum Chemistry
- Carbonization and Graphitization
- Environmental Applications
- Biological and Medical Applications
- Carbon Fibres and Composites
- Physical Properties & Characterization
- Cokes, Coals and Carbon Blacks
- Carbon alloys & their applications
- Hydrocarbons & Biofuels
- Nanomaterials and Nanotechnology
- Materials Science and Engineering
- Low-Dimensional and 2D materials
- Nanoscale Carbons

- 3D Printed Materials
- Green Chemistry & Synthetic chemistry
- Trends in Nanotechnology
- Technological advancement in Organic Synthesis
- Nano Chemistry
- Carbon Energy
- Inorganic and Organic Chemistry
- Industrial Nanotechnology
- Reaction Chemistry and Engineering
- Nanoscience and Materials Chemistry
- Nanoengineering and its Applications
- Nano-electronics and Nano-electronic Devices
- Physics and Chemistry of Materials
- Industrial and Polymer Chemistry

Important Dates

- Conference Dates: **November 11-13, 2024**
- Abstract Submission Opens: **November 25, 2023**
- Registrations Opens: **November 26, 2023**
- Pre-Early Bird Registration Ends: **Before February 02, 2024**

Special Features

- Panel discussions
- Interactive poster session
- Cross-disciplines
- Collaborations
- Mentoring from senior faculty
- Networking during customized social hours

Registration

All participants, except non-attending co-authors, must pay the appropriate registration fee.

Category	Academic	Business	Delegate	Student	Virtual
Pre-Early Bird Registrations	€599	€699	€499	€399	€249
Early Bird Registrations	€699	€799	€599	€499	€299
Mid-Term Registrations	€799	€899	€699	€599	€399
Late Registrations	€899	€999	€799	€699	€499

Accommodation

November 11-13, 2024 (3 Nights)	Single Occupancy	Double Occupancy
	€600	€660

To Register online: https://carbon.unitedscientificgroup.org/registration_form

Registration includes

- Welcome coffee
- Access to main conference sessions, exhibits, poster sessions and round table discussions
- Conference material
- Lunch, tea / coffee breaks during the conference days
- Wi-Fi in meeting rooms

Sponsorship Guide

Support the event and take the advantage of getting connected with your target audience!

The United Scientific Group (USG) organizes interdisciplinary International conferences to show case on cutting-edge basic and applied research outcomes within engineering, life sciences including chemistry and other diverse role of science and technology in society.

CCM-2024 three-day conference will give attendees a chance to interact, learn, and engage with the business industry's foremost researchers, while tackling the pressing issues that face the new generation. Participants will be top level representatives from sectors like prominent commercial; regulatory; scientific organizations and academic institutes.

USG offers several opportunities for sponsors to demonstrate their support towards science and its people by providing financial contributions to facilitate the presentations of noble research findings, and other necessary management for the scientific gathering.
